

A New Proof that Einstein is Wrong

By John Girault

Abstract: Evry sientists now nowns that einsten was plain wrong, if he was right, than why does the Earth orbit the Sun if the sun somhow bends time? If einsten was wright, than we would see clear evidence in the fossil recorder. but we dont, so einsten was WRONG..

THE NEW GIRAULT FIELD EQWATION

$$\int \sum \text{sec} \quad \text{min} \quad \frac{\partial y}{\partial x}$$

This is the SPIRIT LAW of NATURE.

Since SCHOOLS dont teach the GIRAULT THEORY we see the LIBERAL CONSPIRACY and LEFTIST AGENDA.
