Abstract

In this research manuscript, the author has a detailed a '*Universal Daily Wage Labour Work Order(s) Instantaneous Quantification And Exigent Work Order(s) Realization Facilitation System*' that can be maintained by the *Local State Capital* and/ or *Local Country Capital* through its *Administrative Services Network* of *Comprehensive Nature*.

Theory

One can note that *Daily Wage Labourers* rely on *Information* from *Local Sources* in deriving their *Work Orders* and/ or *Contracts*. Because of the *Non-Comprehensive Nature* of *Availability* of such *Information Derived* from such *Local Sources,* not only they are at a *Loss* of *Knowing* where all such *Daily Wage Type Work Exists,* the *Nature* of *Work* in *Specificity,* the *Payment Value, Possible Emoluments,* etc., if any, the *Duration* for which the *Daily Wage Work* is *Available.* Not only the *Daily Wage Labourers* are at a *Loss* because of the afore-stated reasons, even the *Work Order Placing Managers* are also at a *Loss* because of *Non-Comprehensive Nature* of *Availability* of such *Information Derived* from such *Local Sources* which do not *completely and accurately provide the Daily Wage Work Order Placing Managers* as to where such *Daily Wage Labourers* having a *Particular Skill(s) Set* of *Particular Skill Level* are available, what their *Desired* and/ or *Frequented Rate Specifics* are, and for what *Duration* they are available. Therefore, the need for *Author's* '*Universal Daily Wage Labour Work Order(s) Placed Instantaneous Quantification And Exigent Work Order(s) Realization Facilitation System*' is of very *Imperative Nature.* Such a *System* will not only *Possibly* make **Daily Wage Work Available** **Perennially** (i.e., through the year for any year of concern) to *Most* {Or/ and *Every*} *Daily Wage Labourers* having *Specific Skill(s) Set(s),* but also greatly *Improves* the *Quality* of the *Services Offered* because of the *Competition* involved *Regionally* and also because of *Perfect Matching* of *Desired Skill(s) Set(s)* with those of the *Skill(s) Set(s)* of the *Daily Wage Labourers's Skill(s) Set(s)*. Furthermore, *Affordability* would be *Greatly Optimized* and *Similarly Daily Wage Payments* would also *Increase Optimally.*

Implementation Of The 'Universal Daily Wage Labour Work Order(s) Instantaneous Quantification And Exigent Work Order(s) Realization Facilitation System'

Firstly, such a *System* should be of *Centralized Nature*. That is, there should be a *Top-Down Heirarchial Not-For-Profit** (Earns just *Enough* to *Pay Salaries* to *Run* this *System*) *Organizational System* that *Facilitates* this *Whole Scheme.*

A *Universal Internet Website* should be *Created* and *Maintained* that *Runs* the *Data-Base* of *Daily Wage Work Orders Placed, The Locations* where the *Daily Wage Work* is *Available, The Duration* of the same, *The Offered Rate Specifics* (along with a *Detailed Emoluments Scheme*, if any), *The Desired Skill(s) Set, Option* of *Electronic Based Hitching* (*Selection Process*) and/ or *Manual Hitching*in *Presence* (*Selection Process*) and/ or *Both,* The *Agreement Specifics Slating* and/ or *Detailed Documentation System* {with *Verbose* (*Speech*), *Verbose* (*Written*) and/ or *Legal Deeds* based *Selection Process*}. Furthermore, some *District Centers* can also be *Established* that *Specially Cater* to *Educating* and *Facilitation* of this *Whole* aforementioned *Process* for the *Daily Wage Labourers* of concern within a *District.* Also, such *Daily Wage Work Order Issuance* and *Daily Wage Labour Payment Aspects* can both be *Instituted* through the aforementioned *Top-Down Heirarchial Not-For-Profit** (*Earns* just *Enough* to *Pay Salaries* to *Run* this *System*) *Organizational System* Of *Centralized Nature* which also *Consequently Enforces Daily Wage Labour Payments* at or above the *Minimum Wage Levels.* Also, a *Holistic Comprehensive Verbal, Theoretical* and *Practical Skill(s) Set(s) Assessment Department* should also be *Instituted* within this *System* that can *Accurately Evaluate* and *Recommend Prescribe Rate* against the *Offered Rate Specifics* and *Desired Rate Specifics.* Also, *Enough Care Must* be *Taken* such that this *Entire System* is *Corruption Free* {This can be achieved using author's *'Comprehensive Corruption Prevention And Detection Technologies'*}. The *Daily Wage Labourers* must be accorded *Approval* and *Identification Cards* with respect to their *Documented Experience, Skill(s) Set(s), Current Rate Specifics*, etc,. This *System* must also include a *Holistic Arbitration Department* that *Honestly Tackles* any *Issues* that may have *Cropped* up *Between* the *Daily Wage Work Order Placing Manager* and the *Corresponding*

Respective Daily Wage Labourer. It should be noted that in *Countries* of the *Third World, Huge Amount* of *Patience* is *Called For* in such aforementioned *Arbitrations. The Arbitration Policy Should Always Strive* for *Providing 'A' Daily Wage Work Option* to the *Daily Wage Labourer* even under the *Scenarios* of *Most Unfavourableness.* This aforesaid is very important because, we cannot *Rule Out* the *Great Possibility* that *Both Daily Wage Work Order Placing Manager(s)* and the *Corresponding Respective Daily Wage Labourer(s)* may *Nurture* some serious *Cob-Webs of Non-Factual Notions* regarding the *Nature Of Functioning* of their *Occupational Professions.* The aforementioned *Arbitrations Department* should *Analyze* Every *Cropped Up Issue* (between the *Daily Wage Work Order Placing Manager* and the *Corresponding Respective Daily Wage Labourer*) with regards this *Aspect,* the way it is *Arbitrated* to a *Symbiotic End.* Such *Analysis* should *Principally Involve Documentation* of the aforementioned *Cob-Webs of Non-Factual Notions* regarding the *Nature Of Functioning* of their *Occupational Professions between the Differing Parties* for every *Issue* that cropped up, *Educating* both the *Parties* to an *Enlightened End,* and also *Holistically, Justifiably Solving* the *Issue While* also *Creating* a *Universal Cumulative Database* of the *Learning (Knowledge) of Each* such *Issue, Solved* to a *Symbiotic End.*

Furthermore, a *Universal Daily Wage Payment Disbursement Plan, Savings Plan, Allocation Design* of the *Daily Wage Payment Disbursement Plan* towards *Health Care Plan* and *Health Insurance Plan, Life* And/ Or *Skill(s) Set(s) Insurance Plan, Education Endowment Plans, Loan Schemes Plan* for *Purchasing of Homes,* etc., *Entertainment* and/ or *Recreation (Stress Release) Mode Plan* for the *Daily Wage Labourer, Tax Savings Benefit Scheme* for both *Daily Wage Work Order Placing Manager* and *Daily Wage Labourer* can also be *Successfully Instituted* as *Optional* and/ or *Permanent Aspects* pertaining to this *Scheme.*

Conclusion

The aforementioned '*Universal Daily Wage Labour Work Order(s) Instantaneous Quantification And Exigent Work Order(s) Realization Facilitation System*' can be also *Universalized* and/ or *Centralized* at a *Global Level,* a *Country Level,* a *State Level,* a *County* and/ or a *District Level* as well. Also, the same afore-presented *Scheme* of *Argument* in *Principal* can be *Validated* for *Work Aspects*

Related to *Most Other Professional Occupations* as well that are not necessarily of *Daily Wage Type.*

Tribute

The author pays his sincere tribute to all those dedicated and sincere folk of academia, industry and elsewhere who have sacrificed a lot of their structured leisure time and have painstakingly authored treatises on Science, Engineering, Mathematics, Art and Philosophy covering all the developments from time

immemorial until then, in their supreme works. It is standing on such treasure of foundation of knowledge, aided with an iota of personal god-gifted creativity that the author bases his foray of wild excursions into the understanding of natural phenomenon and forms new premises and scientifically surmises plausible laws. The author strongly reiterates his sense of gratitude and infinite indebtedness to all such 'Philosophical Statesmen' that are evergreen personal librarians of Science, Art, Mathematics and Philosophy.
