Technology Assistance & Innovation Center, Madison, Wisconsin-53715,  
United States Of America*

## **Abstract**

In this research manuscript, the author has detailed a *Scheme* of detecting the Component of ‘*Universal Truth Of Recursive Kind*’ to an *Existing Native Degree*.

## **Theory**

One should note that *All Positive Aspects*, i.e., *All Good Aspects* are ‘*Invariant*’ when *Observed* from a *Basis Of Prime Metric of Certain Order Space* and/ or *Observed* from a *Basis of Reverse Direction Prime Metric* of {whatever *Order Space Sequence Of Primes Elements Map Out Using the Concept of Author’s “Theory Of ‘Complementable Bounds’ And ‘Universe(s) In Parallel’ Of Any Sequence Of Primes Of R<sup>th</sup> Order Space”*} *Higher Order Space*. From this *Concept*, *One can Note the Goodness Integrity of Any Aspect* such as *Life Entity Quantum Signatures, Authorship Integrity of Claimant’s Claim on Any Work Consciousness Information* of concern.

## **New Content of Version II**

One can note that if *One Rigs the System* by *Specially Reverse Engineering* the *Work Consciousness Information* of concern by *Expressing* it in the ‘*Basis*’ of ‘*Vocabulary of Invariant Good Aspect Words*’, one can *Note* that *Positive Justified Belief* and/ or *Belief* {see author’s research manuscript on ‘*Gold-Star Recursion Scheme Quantization*’} is a *Concept Greater Than Truth*, therefore, one can also *Conduct* the aforementioned *Invariance Test* in the ‘*Basis*’ of *Vocabulary of Invariant Good Aspect Words Slated* in the *Basis of Positive Justified Belief* and/ or *Belief*, such that now we can *Test The Non-Reverse Engineered Integrity* for the *Statement* ‘The following “**Work Consciousness Information\*** {\_\_\_\_\_} is Slated in the ‘*Basis*’ of ‘*Vocabulary of Invariant Good Aspect Words*” by performing the *Invariance Test* of the *Same*.

\*

- a. We express the *Work Consciousness Information* of concern in the ‘*Basis*’ of

*Vocabulary of Invariant Good Aspect Words.*

*b. We express the Work Consciousness Information of concern in the ‘Basis’ of Vocabulary of Invariant Good Aspect Words Slated in the Basis of Positive Justified Belief and/ or Belief.*

*Refresher on Author’s ‘Gold-Star Recursion Scheme Quantization’*

One can Note from Author’s ‘Living A Happy Life {Version 4}’ [31] and ‘Musical Life {Version 2}’ [19] that Extreme {of Very High Frequency and Intensity (Magnitude of Integrity of Belief)} Levels of Positive Justified Benign Belief Brings To Realization Any Positive Justified Benign Believed Aspect Of Concern Quite Easily. However, again it is a very Common Question as to as to How One Can Exercise Belief. This can be achieved very simply by using the author’s Schema {see author’s Treatise on ‘Gold-Star Recursion Scheme Quantization’} wherein we First Express All Our High Frequency Actions (inclusive of the Daily Life Activities) and All Our High Intensity (Magnitude of Integrity of Belief) Actions in the ‘Basis’ of ‘Positive Justified Benign Belief’ and Performing All Our Thusly Transformed (because of the Change of Basis) High Frequency Actions (inclusive of the Daily Life Activities) and All Our Thusly Transformed (because of the Change of Basis) High Intensity (Magnitude of Integrity of Belief) Actions that are Equivalent to All Our High Frequency Actions (inclusive of the Daily Life Activities) and are also Equivalent to All Our High Intensity (Magnitude of Integrity of Belief) Actions as Observed in the ‘Positive Justified Benign Belief Basis’. Doing so, Practically Validates The Exercising of Frequency And Intensity of our Belief and by Slating the necessary Mathematical Basis of Hyper-Primality Of Belief Realization Mathematical Analysis, one can Engineer the Frequency, Intensity and even the Culture of aforementioned Actions (inclusive of Daily Life Activities) to Successful Realization of One’s ‘Positive Justified Benign Belief’. If the Belief is of Malignant and Negative Type, then its Realization will Proportionately Depend on the Lack of Redundancy in the Primality of the Same, with respect to the Character of the Universe, i.e., of Increasing The Beauty, i.e., Symmetry of the Universe.

## *Fundamental Objective Of The Universe*

*The Fundamental Objective of the Universe is to Constantly Keep Increasing Its Beauty Primality, That Is, The Holistic Symmetry Primality of the Universe, Inclusive Of In The Orthogonal (Lateral) Spaces (Universes In Parallel Of The Universe Found To Exhaustion In The Orthogonal (Lateral) Spaces).*

*Ramesh Chandra Bagadi*

## **Conclusion**

Furthermore, one can note that any *Supposed True Work Consciousness Information* {with respect to the *Father* of the same} of concern, that is under *Claim* should be able to also work as *Truth Segments*, {see author's *Comprehensive Treatises* on '*Truth Deriving Machine*'} i.e., should have *Enough Quantizing Ability* to *Quantize Any Control Statement*, {*The Truth Index* of which we know to a Desired Precision of '*Pi*' Value and/ or its Higher Order Equivalent Value} to a Level of the Aforementioned Desired Degree.

### **Acknowledgements**

*The author would like to express his deepest gratitude to all the members of his loving family, respectable teachers, en-dear-able friends, inspiring Social Figures, highly esteemed Professors, reverence deserving Deities that have deeply contributed in the formation of the necessary scientific temperament and the social and personal outlook of the author that has resulted in the conception, preparation and authoring of this research manuscript document.*

### **Tribute**

*The author pays his sincere tribute to all those dedicated and sincere folk of academia, industry and elsewhere who have sacrificed a lot of their structured leisure time and have painstakingly authored treatises on Science, Engineering,*

*Mathematics, Art and Philosophy covering all the developments from time immemorial until then, in their supreme works. It is standing on such treasure of foundation of knowledge, aided with an iota of personal god-gifted creativity that the author bases his foray of wild excursions into the understanding of natural phenomenon and forms new premises and scientifically surmises plausible laws. The author strongly reiterates his sense of gratitude and infinite indebtedness to all such 'Philosophical Statesmen' that are evergreen personal librarians of Science, Art, Mathematics and Philosophy.*
