Abstract

In this research manuscript, the author has detailed a *Scheme* of detecting the Component of '*Universal Truth Of Recursive Kind*' to an *Existing Native Degree.*

Theory

One should note that *All Positive Aspects*, i.e., *All Good Aspects* are '*Invariant*' when *Observed* from a *Basis Of Prime Metric of Certain Order Space* and/ or *Observed* from a *Basis of Reverse Direction Prime Metric* of {whatever *Order Space Sequence Of Primes Elements Map Out Using the Concept of Author's* "*Theory Of 'Complementable Bounds' And 'Universe(s) In Parallel' Of Any Sequence Of Primes Of* R^{th} *Order Space*") *Higher Order Space.* From this *Concept, One* can *Note* the *Goodness Integrity* of *Any Aspect* such as *Life Entity Quantum Signatures, Authorship Integrity of Claimant's Claim on Any Work Consciousness Information* of concern.

New Content of Version II

One can note that if *One Rigs* the *System* by *Specially Reverse Engineering* the *Work Consciousness Information* of concern by *Expressing* it in the '*Basis*' of '*Vocabulary* of *Invariant Good Aspect Words*'*,* one can *Note* that *Positive Justified* **Belief** and/ or **Belief** {see author's research manuscript on '*Gold-Star Recursion Scheme Quantization*'} is a *Concept Greater Than Truth*, therefore, one can also *Conduct* the aforementioned *Invariance Test* in the '*Basis*' of *Vocabulary* of *Invariant Good Aspect Words Slated* in the *Basis* of *Positive Justified* **Belief** and/ or **Belief,** such that now we can *Test The Non-Reverse Engineered Integrity* for the *Statement* '*The* following "**Work Consciousness Information***' {_____} **is Slated in the '**Basis**' of '***Vocabulary* **of Invariant Good Aspect Words**" by performing the *Invariance Test* of the *Same.*

*

a. We express the *Work Consciousness Information* of concern in the '*Basis*' of

Vocabulary of Invariant Good Aspect Words.

*b. We express the Work Consciousness Information of concern in the 'Basis' of Vocabulary of Invariant Good Aspect Words Slated in the Basis of Positive Justified Belief and/ or **Belief**.*

Refresher on Author's 'Gold-Star Recursion Scheme Quantization'

One can Note from Author's 'Living A Happy Life {Version 4}' [31] and 'Musical Life {Version 2}' [19] that Extreme {of Very High Frequency and Intensity (Magnitude of Integrity of Belief)} Levels of Positive Justified Benign Belief Brings To Realization Any Positive Justified Benign Believed Aspect Of Concern Quite Easily. However, again it is a very Common Question as to as to How One Can Exercise Belief. This can be achieved very simply by using the author's Schema {see author's Treatise on 'Gold-Star Recursion Scheme Quantization'} wherein we First Express All Our High Frequency Actions (inclusive of the Daily Life Activities) and All Our High Intensity (Magnitude of Integrity of Belief)} Actions in the 'Basis' of 'Positive Justified Benign Belief' and Performing All Our Thusly Transformed (because of the Change of Basis) High Frequency Actions (inclusive of the Daily Life Activities) and All Our Thusly Transformed (because of the Change of Basis) High Intensity (Magnitude of Integrity of Belief)} Actions that are Equivalent to All Our High Frequency Actions (inclusive of the Daily Life Activities) and are also Equivalent to All Our High Intensity (Magnitude of Integrity of Belief)} Actions as Observed in the 'Positive Justified Benign Belief Basis'. Doing so, Practically Validates The Exercising of Frequency And Intensity of our Beluef and by Slating the necessary Mathematical Basis of Hyper-Primality Of Belief Realization Mathematical Analysis, one can Engineer the Frequency, Intensity and even the Culture of aforementioned Actions (inclusive of Daily Life Activities) to Successful Realization of One's 'Positive Justified Benign Belief'. If the Belief is of Malignant and Negative Type, then its Realization will Proportionately Depend on the Lack of Redundancy in the Primality of the Same, with respect to the Character of the Universe, i.e., of Increasing The Beauty, i.e., Symmetry of the Universe.

New Content of Version III

The cases of Rigging of any System to eclipse the Truth will result in making the Work Consciousness Information of concern

1. Drastically loose it's (the Primality of the Work Consciousness Information)'s *Precision of 'Pi' Value and/ or its Higher Order Equivalent Value.*
2. *Redundancy Creeps* into the *Work Consciousness Information* of concern which can be *Noted* using *Author's 'Removing And/ Or Minimizing The Redundancies In The Primality Of Any Aspect Of Concern {Version II}'.*

New Content of Version IV

One can note that using this *Scheme*, one can *Create* a *Truth Deduction System.* This can be done by doing our questions on an *Objective Basis Testing* the *Truthfulness* against all the *Possible Choices* for *Answers.* For *Example*, one can ask the question:

'*The First Alphabet of the First Name of the Author of this document is (we provide all the choices of 26 alphabets, one by one till we get an affirmation)*' and find the *Correct Answer.* We now *Pose Similar Questions* to find the *Second Alphabet* of the *First Name* of the *Author* of this *Research Manuscript* and find the *Correct Answer.* In this manner, one can find the *Entire Name* (*First, Middle* and *Last*

and/ or *Family Name*) of the *Author* of this *Research Manuscript*. Furthermore, using all the *ASCII Characters*, one can even find the *Address*, etc., as well.

At an *Advanced Level*, one can even *Produce Pixelated Colourful Images* of concern by *Ascribing Colours* to the *Image* to be *Found*. At an even *Much Advanced Level*, one can even *Reproduce* the *3 Dimensional* and/ or *2 Dimensional Virtual Enactment of Video Type Scenes* (*Dynamic Function of Time*) of *Truth*.

Including the *Claimant's Time Causality Stamp Data* and other *Useful Data* that are *True* in the *Work Consciousness Information Under Claim* also help us perform our *Truth Analysis Better*.

For the cases when we are trying to perform *Open Truth Deductions*, i.e., that which is *Unknown*, in that case, some *Possibly Known Description** can be detailed in the *Work Consciousness Information As Question* by the persons who know {whose *Time Causality Stamp Data* and other *Useful Data* must also be included in the *Work Consciousness Information As Question*}, even when these are *Squarely Indirectly* come to known by *God-Beings* {*those whose Bodily Manifestations Govern the Impression of Time Causalty through the Five Elements of Nature unto the general folk*}, including such *Aforementioned Description** by them in the *Work Consciousness Information As Question* even bestows us an even *Better Handle on Evaluation of Truth*.

Conclusion

Furthermore, one can note that any *Supposed True Work Consciousness Information* {*with respect* to the *Father* of the same} of concern, that is under *Claim* should be able to also work as *Truth Segments*, {see author's *Comprehensive Treatises* on '*Truth Deriving Machine*'} i.e., should have *Enough Quantizing Ability* to *Quantize Any Control Statement*, {*The Truth Index of which we know to a Desired Precision of 'Pi' Value and/ or its Higher Order Equivalent Value*} *to a Level of the Aforementioned Desired Degree*.

Moral

Truth Is the Basis Of Love And Better Truth Is The Basis Of Self-Less Love.

Acknowledgements

The author would like to express his deepest gratitude to all the members of his loving family, respectable teachers, en-dear-able friends, inspiring Social Figures, highly esteemed Professors, reverence deserving Deities that have deeply contributed in the formation of the necessary scientific temperament and the social and personal outlook of the author that has resulted in the conception, preparation and authoring of this research manuscript document.

Tribute

The author pays his sincere tribute to all those dedicated and sincere folk of academia, industry and elsewhere who have sacrificed a lot of their structured leisure

time and have painstakingly authored treatises on Science, Engineering, Mathematics, Art and Philosophy covering all the developments from time immemorial until then, in their supreme works. It is standing on such treasure of foundation of knowledge, aided with an iota of personal god-gifted creativity that the author bases his foray of wild excursions into the understanding of natural phenomenon and forms new premises and scientifically surmises plausible laws. The author strongly reiterates his sense of gratitude and infinite indebtedness to all such 'Philosophical Statesmen' that are evergreen personal librarians of Science, Art, Mathematics and Philosophy.
