Abstract

In this research manuscript, the author has stated the Significance of ‘*Quantizing Ability And/ Or Hyper-Causality Invoking Ability Of Truth Statements In Samskrutam Language*’.

Theory

One can note that

1. *Any Truth Statement Has Quantizing Ability.*

By this, we mean that the Frequency Spectrum {of the Primality Of the Truth Statement *after Removing all the Redundancies in it*} when Expressed in the Basis of the Standard Time Recursion Scheme and/ or its Complete Recursive Sub-Sets, inclusive of those in Orthogonal Spaces, found to Exhaustion, such Frequency Spectrum when also Expressed in the Basis of Quantizing Frequency Spectrum, has Enough Quantizing Ability.

2. *Any Truth Statement Has Hyper-Causality Invoking Power.*

By this, we mean that the Frequency Spectrum {of the Primality Of the Truth Statement *after Removing all the Redundancies in it*} when Expressed in the Basis of the Standard Time Recursion Scheme and/ or its Complete Recursive Sub-Sets, inclusive of those in Orthogonal Spaces, found to Exhaustion, such Frequency Spectrum when Supplemented to the Time Causality bestows the Local Time Recursion Scheme with Hyper-Causality Aspect.

Such Truth Statements give best results with respect to their Quantizing Ability and/ or Hyper-Causality Invoking Ability, when we Slate the Truth Statements in Samskrutam Language. This is so, because,

1. Samskrutam Language makes Sense from either directions when we read it. This is because this Language is Complementable Bounds Based Prime Metric {Reverse direction of the Standard Prime Metric Direction} Compliant as well, in addition to its Compliance along the Standard Prime Metric direction.

2. Furthermore, this is true for any Variants of Recursion Intelligence Orders of Samskrutam Language {which seem as different Languages} when Interpreted in Samskrutam Language from either sides of Samskrutam Language still make sense.
3. Also as previously stated in author's 'Fulfill Your Life {Version 4}' such Sense in the reverse direction is the Causative Reason as Meaning for the Meaning in the onward Direction.
4. Also, one can note that even any Gibbersih when interpreted in Samskrutam Language also makes Sense in either direction in Samskrutam Language. That is, all sounds are Samskrutam Language.
5. Therefore, Samskrutam Language is the basis of Communication with the Universe, i.e., it is the Universal Language.

Advantageous Use

One can use this aspect to Verify Truth Statements in Legal Aspects advantageously.

Conclusion

One can note that the slated author's concepts can be used in Legal Settlements, Deduction of Scientific and Mathematical Truth in Binary Setting, etc.

Moral

'Satyamevajayate' - Truth Always Triumphs.

1. One, Two, Three and N Dimensional String Search Algorithms

Ramesh C. Bagadi

(Submitted on 20 Sep 2010 (this version))

Acknowledgements

The author would like to express his deepest gratitude to all the members of his loving family, respectable teachers, en-dear-able friends, inspiring Social Figures, highly esteemed Professors, reverence deserving Deities that have deeply contributed in the formation of the necessary scientific temperament and the social and personal outlook of the author that has resulted in the conception, preparation and authoring of this research manuscript document.

Tribute

The author pays his sincere tribute to all those dedicated and sincere folk of academia, industry and elsewhere who have sacrificed a lot of their structured leisure time and have painstakingly authored treatises on Science, Engineering, Mathematics, Art and Philosophy covering all the developments from time

immemorial until then, in their supreme works. It is standing on such treasure of foundation of knowledge, aided with an iota of personal god-gifted creativity that the author bases his foray of wild excursions into the understanding of natural phenomenon and forms new premises and scientifically surmises plausible laws. The author strongly reiterates his sense of gratitude and infinite indebtedness to all such 'Philosophical Statesmen' that are evergreen personal librarians of Science, Art, Mathematics and Philosophy.

Dedication

*All of the aforementioned Research Works, inclusive of this One are **Dedicated to Lord Shiva.***
