Abstract

In this research investigation, the author lays down a Scheme helps one find the ‘*Degree Of Truth*’ of any statement of concern.

Theory

For any given ‘*Statement*’ under investigation for its Degree of *Truth*, we first compute its *Primality*. We then compute the *One Step (Previous) Parent Primality* such that the *Parent Primality* when evolved by *One Step* gives the *Primality* of the *Statement* under investigation.

One can check the Degree of Truth of any Statement by noting that True Statements Evolve in such a fashion that their Entropy Growth’s Recursion Scheme is akin to the Entropy Growth of Recursion Scheme of Time*. In this fashion, one can find the Parent Primality, Grand Parent Primality, the Great Grand Parent Primality, the Great Great Grand Parent Primality and so on so forth and can compute their One Step Evolutions and their Entropies and can note the truth of the above fact.

If the Truth Statement is rigged to show untrue statements as true, we can note that the Primality of the Statement under investigation has a lot of Redundant Primality.

If the Truth Detecting Software itself is rigged, again such Software has a lot of Redundant Primality.

*We need to use here, the Recursion Scheme of Time derived using the Nuclear Fusion Reactions Field of our Sun, also derived using the Nuclear Fusion Reactions Field of a Star, a Galaxy and even a Universe.

Moral

Truth Goes The Furthest.

The Information Of the Primality Of Truth goes the furthest, i.e., it has the highest Ingression Power.

Acknowledgements

The author would like to express his deepest gratitude to all the members of his loving family, respectable teachers, en-dear-able friends, inspiring Social Figures, highly esteemed Professors, reverence deserving Deities that have deeply contributed in the formation of the necessary scientific temperament and the social and personal outlook of the author that has resulted in the conception, preparation and authoring of this research manuscript document.

Tribute

The author pays his sincere tribute to all those dedicated and sincere folk of academia, industry and elsewhere who have sacrificed a lot of their structured leisure time and have painstakingly authored treatises on Science, Engineering, Mathematics, Art and Philosophy covering all the developments from time immemorial until then, in their supreme works. It is standing on such treasure of foundation of knowledge, aided with an iota of personal god-gifted creativity that the author bases his foray of wild excursions into the understanding of natural phenomenon and forms new premises and scientifically surmises plausible laws. The author strongly reiterates his sense of gratitude and infinite indebtedness to all such 'Philosophical Statesmen' that are evergreen personal librarians of Science, Art, Mathematics and Philosophy.

Dedication

*All of the aforementioned Research Works, inclusive of this One are **Dedicated to Lord Shiva.***
