The objective of this paper is to share some of the Videos I have viewed that has quenched my thirst for knowledge.

This is dedicated to @Phil Gibbs who published my papers on ViXra after Dr. Bjorn Poonen from MIT suggest me to do so but Dr. Poonen told me to clean them up but I was to lazy to clean them up and published anyway. The problem I had was that I tried in vein to publish on arxiv and could no get sponsored.

I grant permission to any body for the thirst for knowledge to view my watch past or current watch later list and or history.
